

IDYLVILD FARMS' SUMMER RIDING CAMP REGISTRATION FORM

Activities include English horseback riding and trail riding; arts and crafts; horse care (feeding, grooming, handling); games and sports; song and dance; educational activities; nature walks; swimming. In addition to horses, Idylwild has many other animals the children interact with including goats, chickens, burros, and a macaw. Idylwild Farms' staff has extensive experience hosting camps and working with children. Children are under staff supervision at all times. We are proud to offer a safe environment for children to play, ride, and learn about horses.

Idylwild provides all necessary equipment for the horse. Children need to wear jeans or riding breeches, boots, and an ASTM/SEI approved RIDING helmet. Bike helmets and other sport helmets do not provide sufficient protection in the event of a fall. Helmets and inexpensive rubber boots may be purchased at Santa Rosa Saddlery or Saddles to Boots on Hwy 12. We have some boots and helmets available, though for proper fit and hygienic reasons we strongly recommend you purchase your own.
